

Annual Turnip Cook-Off

Jenn Mentzer, Mac's Parties & Provisions, sporting shades of purple, proudly displays the 2016 Grand Prize trophy for her award winning Turnip Puff.

Calling all **local chefs and restaurateurs!** Showcase your culinary talent and enter a competition with the chance to win the coveted Turnip Trophy. Whip up an award worthy dish starring the most delectable of all tubers — **the Eastham Turnip** — and win local acclaim!

The rules to enter the Eastham Library's annual **Turnip Cook-Off** are simple:

- Make ANY dish featuring **Eastham Turnip**, appetizer to dessert. LIMIT: No more than 2 entries per food establishment, please.
- Label all dishes with names of the food establishment and cook (address labels work well).
- For hot dishes, provide means to keep the food warm such as a crockpot or insulated casserole tote; transport refrigerated dishes in a cooler.
- Deliver your prepared dish (large enough for 50 or more 2-ounce sample size portions) to the NRHS cafeteria on Festival Day between 10:30 and 12:30 p.m. No need to bring serving utensils. We will provide a Cook-Off Crew to portion/serve your dish and cooks need not be present to win.

A distinguished panel will judge entries on turnip taste, presentation, creativity and overall taste.

Registration forms are available at the Eastham Library, or download the form at easthamlibrary.org. A Temporary Retail Food Establishment Permit application, along with copies of a ServSafe certificate and Allergen Awareness Training, must be submitted with a registration form to the Eastham Library (ATTN: Marianne Sinopoli) by Wednesday, November 1, 2017. For more info contact Marianne at 508-240-5950 X3132 or msinopoli@clamsnet.org

PLEASE NOTE: Only licensed food establishments are eligible to enter this contest.
