

OUR PONDS: A DEEP DIVE

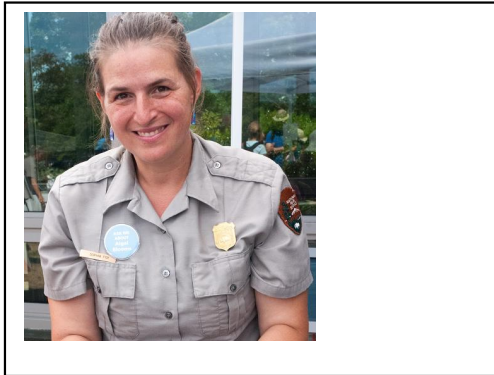

Understanding. Insight. Inspiration.

Mallards, Mollusks, Mosquitos & Mud

*with Sophia Fox, Aquatic Ecologist for the Cape Cod National
Seashore*

Tuesday, April 16 ~ 6:30 PM

EASTHAM PUBLIC LIBRARY

“Life in a freshwater pond is profuse, with layer upon layer of organisms forming food chains and ecological communities all dependent on each other and sensitive to the world around them.”

Coming April 30, “Sea-Run Fish in our Ponds,” with Brad Chase
