

OUR PONDS: A DEEP DIVE

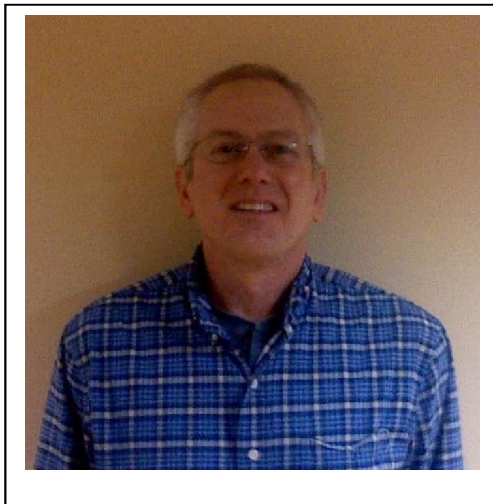

Understanding. Insight. Inspiration.

Sea-Run Fish in Our Ponds

with Brad Chase, MA Division of Marine Fisheries Senior Biologist

Tuesday, April 30 ~ 6:30 PM

EASTHAM PUBLIC LIBRARY

“River Herring come from the sea to spawn, while American Eel spend most of their lives in Eastham ponds before making their way to the Sargasso Sea and their spawning grounds.”

Coming May 7, “Diving Into Wonderland,” with Susan Baur
